

Help inspire the next generation of contractors!

WCCA is looking for construction related businesses interested in educating 11th grade students on all aspects of construction. This is a one day event for youth to explore careers in construction.

Register for a presenter station and/or sponsorship opportunities at:

www.utewater.org/constructioncareerday

Or call WCCA for more information (970) 245-1384.

Presenters stations are \$200 per station to help offset the expenses of the event.

Sponsorships are available to help offset costs for student lunches, student transportation, location, etc. We also except In kind donations (ie: ear plugs, safety glasses, hard hats, etc.) and industry information for student bags are welcome!

Who will be attending? -Mesa County Valley School District 51, 11th grade students

What is the event? -Western Colorado Construction Career Day

When is it? -September 10th, 2024 (Students will be there from 9am-2pm)

Where is it? -Mesa County Fairgrounds, Grand Junction, CO

Why is it going on? -To inspire/educate students through a hands-on experience and show students employment opportunities in construction

Details for presenters:

- ◆ Pick a topic for your demonstration hands-on activity
- ◆ 10x10' demonstration station (\$200 per station)
- ◆ 5 groups of 25 students
- ◆ 25 minutes per group
- ◆ 50 minutes may be aloud by request only
- ◆ Lunch included

Students will experience
all five areas of focus
